

Phosphate Removers

Starver® X

- The neXt generation in high phosphate removal technology
- Removes up to 9,000 ppb of phosphates in a 10,000 gallon pool
- Natural composition of unique polymers and rare earth compounds

Starver® Maintenance

- Ultimate phosphate maintenance and preventative solution
- Prevents algae - algae cannot grow without phosphates
- Enhances the performance of all other pool chemical treatments

Phosphate 3,000

- The reliable and cost effective phosphate remover
- One quart removes 3,000 ppb of phosphates in a 10,000 gallon pool
- All natural formula is safe to use and environmentally friendly

Stain and Scale Solutions

Citrus Stain Eliminator

- All natural, citric acid formula
- Eliminates tannins, copper, iron, and manganese stains
- Phosphate-free
- Compatible with all sanitizer systems and pool surfaces

Metal Eliminator

- Sequesters and removes metals
- Regular use will prevent new stains and reduce older metallic stains
- Aides in scale removal and prevention
- Excellent for start-up for new and re-surfaced pools

Multi Stain Eliminator

- Removes manganese, iron, and copper stains
- Removes organic stains such as algae, leaf, and mold stains on vinyl liners
- Treatment for stain and spot removal on all types of surfaces

Algaecide

4 Month Algaecide

- Prevents all types of algae blooms
- Fast acting, long lasting treatment
- Non-foaming
- No waiting, swim immediately

Clarifiers

Pool Blue 10,000

- All natural chitosan based clarifier made from recycled crab shells
- Non-toxic and environmentally sustainable
- Clears cloudy water quickly

Spa Blue 1,000

- All natural chitosan based clarifier made from recycled crab shells
- Non-toxic and environmentally sustainable
- Clears cloudy water quickly

30 Day Clear Blue Cube

- Keeps water sparkling for 30 days
- No spill, no mess, no measuring
- Non toxic 100% biodegradable
- Removes stain causing metals and undissolved particles

Sparkle Pill

- Clears cloudy pools quickly
- Compatible with all sanitizer systems
- No mess, easy skimmer box application

Maintenance Products

Bug Off

- Eliminates insects from pool water surface
- Insects sink to the bottom of the pool where they are filtered or vacuumed away

Calcium Hardness Reducer

- Reduces calcium hardness levels by 200-400 ppm
- Restricts calcium scale formation on pool and spa surfaces as well as equipment

Clean Cell Plus

- Premium salt cell cleaner
- Removes scale, body oils, and organic debris
- Pre-mixed, reusable, non-fuming
- Extends cell life

Duck Off

- Deter ducks and geese
- Not harmful to ducks, geese or humans
- Compatible with all sanitizer systems and pool surfaces

Enzyme Weekly

- Enzymes reduce maintenance and clear oils and contaminants
- All natural formula is safe to use and environmentally friendly
- Compatible with all sanitizers

Hydra-Slip Lube

- Highly advanced silicone lubricant
- Protects rubber and plastic parts from wear and tear
- Will not expand or weaken rubber parts or 'O' rings

No Chlor Shock

- Non chlorine shock contains 45% Potassium Monopersulfate
- High active oxygen level oxidizes organic contaminants
- Ideal for weekly maintenance

No Leaks

- Advanced liquid formulation seals minor cracks and leaks in pipes & concrete pool surfaces
- Fast acting-seals leaks up to 1" in 24 hours

Sunscreen Tabs

- Reduces chlorine demand
- Protects chlorine from UV light
- No mixing, fast dissolving tabs
- Improves filtration
